

Associate/Full Professor & Director of the DBA program

The school

Established in 1963, ISC Paris is a French business school with campuses in Paris and Orleans. ISC Paris is recognized by the State and holds AACSB, AMBA, EFMD Master and BGA accreditations.

ISC Paris is a private, non-for-profit higher education institution, member of the "Conférence des Grandes Ecoles". We offer initial training programs (Bachelor, Grande Ecole Program, MSc) and Executive Education (MBA, DBA, professional training).

The position

ISC Paris invites applications for a Faculty position at the rank of Associate or Full Professor. The position also includes the management of the DBA program.

The applicant can be specialized in any field of business, including (but not limited to):

- Accounting / Audit / Control
- Entrepreneurship / Innovation
- Finance
- Management / HR / Organization
- Marketing / Sales / Negotiation
- Strategy
- Supply Chain Management / Operations Management

The successful applicant will work on our Paris and/or Orléans campuses. The position will start as soon as possible and no later than 1st January 2024.

The main responsibilities of the appointee include:

- Publishing in high quality, peer-reviewed journals (FNEGE and/or ABS)
- Teaching from the Bachelor to the DBA levels, especially using action-learning and innovative methods
- Managing the DBA program (on our French campuses and offshore contexts)
- Mentoring and tutoring students, potentially in all of our programs
- Engaging and participating in institutional activities (for instance, participating in promotion activities, open days, competitions) and school life

Profile

Applicants need to have a solid record in both research and teaching. Ideally, they should have previously managed a program especially with an international dimension.

Requirements:

- PhD degree
- Having an HDR, that is being qualified to supervise research, and/or significant experience in doctoral supervision is a significant plus
- International research profile
- A solid record of publications in selective peer-reviewed FNEGE or ABS journals

- Validated teaching experience, with a pronounced taste for innovative methods
- Willingness to invest time in the management of a doctoral-level program
- A capacity to develop and coordinate courses, especially in a DBA program
- A capacity to teach and supervise works in several fields and in both French and English is a plus

Application content

Applicants should send their application to facultyposition@iscparis.com. The application should at least include:

- A detailed CV (with the contact details of at least two referees)
- A Cover Letter (detailing the motivation for the role of Director of the DBA program)
- A Research statement (with a clear research pipeline for the next 3 or 4 years)
- A Teaching statement (with recent teaching evaluations if available)

Please specify in your application email:

- That you apply for this particular position, by indicating in the subject of your email: "Faculty position in [area of expertise] - DBA program"
- Your field of expertise (for instance, Sales or Negotiation for an applicant in Marketing)

Applications should be submitted as soon as possible as their review will begin immediately.

If you have questions, you can send them by email at facultyposition@iscparis.com.
